

Religious Understanding

Me, My Body, My Health

Emotional well-being

Life Cycles

Keeping Safe

Living in the wider world

Personal Relationships

To identify special people (e.g. parents, carers, friends) and what makes them special

The importance of the nuclear family and of the wider family

We are created individually by God as part of His creation plan

Medicines should only be taken when a parent or doctor gives them to us.

We are part of God's family

Medicines are not sweets.

The Nursery RHE/PSED student I have learned...

That it is natural for us to relate to and trust one another

We are all God's children and are special

The importance of being close to and trusting of 'special people' and telling them if something is troubling them

We should always try to look after our bodies because God created them and gifted them to us.

Our bodies were created by God and are good

That we all have different 'tastes' (likes and dislikes), but also similar needs (to be loved and respected, to be safe etc)

There are lots of jobs designed to help us. **Understanding the World**

We can give thanks to God!

We should love other people in the same way God loves us

Paramedics help us in a medical emergency.

That there are natural life stages from birth to death, and what these are. **Understanding the World**

Jesus cared for others and wanted them to live good lives like him

First Aid can be used in non-emergency situations, as well as whilst waiting for an ambulance

That being made in God's image means being called to be loved and to love others

What a community is, and that God calls us to live in community with one another.

The names of the parts of the body (not genitalia)
